Introduction

This is **your** policy document that sets out in detail everything **you** need to know about **your** ShieldMyWedding Platinum insurance. **We** understand that documents like this are not easy to understand and navigate so to help **you we** are setting out on this and pages 3-5 the important things **you** should know including a summary of cover. As it's a summary, it doesn't include everything and there is no substitute to reading the whole document, but **we** know that life is short so **we** recommend that **you** at the very least read this. Some words are in bold type: this means they are defined and **you** can easily find what these words mean in the definitions section which is right at the back of this document starting on page 24. If **you** have any questions, please contact **us** at info@shieldmy.com

IMPORTANT THINGS YOU SHOULD KNOW

*This policy covers **you** for one **ceremony** and one **reception** only for **weddings**, **civil partnership** registrations or **ceremonies** or other similar wedding ceremonial events, including blessings or renewal of vows **ceremonies** that take place in the **United Kingdom** only.*

To be eligible for cover under this policy:

a) ***you** must be booking a **ceremony** in the **UK,** which can be:*
   *(i) a **wedding** which creates a contract of marriage that is legally enforceable in the **United Kingdom;** or*
   *(ii) a **civil partnership** registration or **ceremony;** or*
   *(iii) a single ceremonial event or blessing (not necessarily legally binding) which celebrates a marriage or **civil partnership**, including a renewal of vows **ceremony;** and*

*b) the main residence of at least one of the prospective marriage or civil partners must be in the **UK** and they must not have been abroad for more than 6 months in the last year. However, if both prospective marriage or civil partners live abroad at the time of purchasing this policy, or do so in the time between then and the **ceremony date**, they are eligible if one of them is a **UK** citizen.*

*If **you** have any queries about **your** eligibility or cover, **you** can contact us at* info@shieldmy.com

Cover under **your** policy can only ever start from the **start date** in **your schedule** but the cover under the different Sections apply at different times after that date. If the **wedding** or **reception** is **cancelled** for any reason, whether insured or not, whether by **you** or anyone else, all cover ends immediately on the date it is **cancelled**. Losses from insured events occurring before this date are covered according to the terms of this policy. To set that out here would take up too much space here so **we** recommend that **you** look at page 3-5 where **you** can see when insurance applies for each Section.

The sums insured **you've** bought for each type of cover is set out in **your schedule. You** can also see there if any **excess** applies and what add-on cover **you've** bought.

1. It is important to ensure that all information given to **us** is correct to the best of **your** knowledge. Failure to give correct information could adversely affect **your** claim.
2. You must exercise due care and attention at all times for the safety of **your** property and take all reasonable steps to prevent accidents, loss or damage.
3. Written or verbal notice of any event which may give rise to a claim must be given to the ShieldMyWedding Claims Department as soon as reasonably practicable and without undue delay. All documents, certificates and evidence required in support of a claim shall be produced by **you** at **your** expense.
4. You must report any loss by theft, attempted theft or malicious damage for which **you** intend to make a claim under this policy to the police as soon as reasonably practicable after the event. **We** will ask for evidence that **you** have done so, for example by providing a crime reference number.
5. You must forward to **us** as soon as reasonably practicable upon receipt any writ, summons or other legal process issued or started against **you**. **You** must not negotiate, admit or repudiate any claim without **our** written consent.

7. **We** may at **our** own expense take proceedings in **your** name to recover **our** losses from any third party in respect of any loss or damage covered by this insurance, and any amount so recovered shall belong to **us**. This includes any monies **we** have paid that in **our** estimation result from unfair or unduly onerous contract terms with **wedding services suppliers**.

11. Unless otherwise stated in this policy, the sum insured for each section applies to both policy holders in total, not to each individual policy holder.

19. **We** will not be deemed to provide cover and shall not be liable to pay any claim or provide any benefit to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, law or regulations of the European Economic Union, **United Kingdom** or United States of America.
